BOOK SYNOPSIS

Unravelling the many myths and misconceptions surrounding America's most iconic spirit, *Bourbon Empire* traces a history that spans frontier rebellion, Gilded Age corruption and the magic of Madison Avenue. Whiskey has profoundly influenced America's political, economic, and cultural destiny. In fact, few products better embody the United States, or American business, than bourbon. Reid Mitenbuler's writing is as gutsy and bursting with attitude as the drink itself, capturing this vivid tale of innovation, success, downfall and resurrection.
