BOOK SYNOPSIS

This book takes readers on a tour of many natural and man-made sacred sites located throughout western America. Comprised of locations that feature particularly interesting and mysterious qualities, Sacred Sites emphasises each locale's physical characteristics and magical significance. These centres are places of power and energy, often relating to North American history and mythology. Appealing to travellers and adventurers, the contributors focus readers on a path to mystery and intrigue as they examine spiritually charged areas. Includes maps and illustrations.
