## **BOOK SYNOPSIS**

One of the special charms of the Odyssey, according to Charles Segal, is the way it transports readers to fascinating places. Yet despite the appeal of its narrative, the Odyssey is fully understood only when its style, design, and mythical patterns are taken into account as well. Bringing a new richness to interpretation of this epic, Segal looks closely at key forms of social and personal organization which Odysseus encounters in his voyages. Segal also considers such topics as the relationship between bard and audience, the implications of the Odysseys self-consciousness about its own poetics, and Homers treatment of the nature of poetry.

**SINGERS HEROES AND GODS IN THE ODYSSEY MYTH AND POETICS** - Are you looking for Ebook Singers Heroes And Gods In The Odyssey Myth And Poetics ? You will be glad to know that right now Singers Heroes And Gods In The Odyssey Myth And Poetics is available on our online library.
